Dear Bob:

I am requesting insurance data for Umetco Minerals Corporation in regard to Workmans Compensation and Disability Insurance. We have two radioactive Materials Licenses, 950-0139 and 210-0090 which must be renewed by November 30, 1984. The attached letters have been accepted by New York State with the proviso that separate requests be made to change the licenses' name from Union Carbide Corporation, Metals Division to Umetco Minerals Corporation and that we provide them with certification of insurance for compensation and disability from the carrier. In the case of self insurance, other certification is required I presume, from the appropriate state agencies.

I have, by separate letter to Carol Dudnick, requested help from the Law Department in getting our name changed.

You can handle this through me or directly with Mr. Awai at the New York State Department of Labor (see attached). If you choose the latter course, which I suggest, please refer to my license renewal application and the numbers on the licenses. I prefer that before you do anything, you call Mr. Awai, (212) 448-7791, and determine if I got the complete picture. Mr. Awai is an excitable Indian who talks peculiarly, to say the least, and does not come over very well. Please send me copies of everything for our license file.

Very truly yours,

R J Klotzbach
